

# How to make art with leaf stamps

You will need some paints and a paintbrush.

Collect some leaves that look interesting

Share your leaf print art with us:

@riverandrowingmuseum

1. Paint the back of the leaf with some paint

2. Carefully press the painted side of the leaf onto your paper.

3. Gently lift the leaf and reveal the print it has made.

5. Create interesting leaf art using different leaves and coloured paints to reveal beautiful patterns!
